Description

Pens on the desk are a problem nobody talks about, but everyone has. The **Woomera Cup** mounts directly to any screen or accessory rail via a Turnstay, positioning everyday items at reach without claiming desk surface. Clips in without tools and have the ability to adjust along the slot when the layout changes or the mood takes you.

Made from 100% recyclable PET, it matches the finish and material weight of the wider Woomera system. It reads as part of a configured workstation, not an afterthought accessory picked up from a stationery catalogue.

Small product. Clear function.
