Bilby Desking Screen Extension extends the height of an existing desking screen. It's ideal when you want to add extra privacy or noise absorption.

Description	Bilby panel topper is ideal for when you want to create extra privacy or noise absorption. The extra 12" height is available in 6 widths from 23.5" to 71.5", catering for narrow and wide desking alike. The sustainable PET is available in colors and prints so you can match the screen that's already there, or create a visual contrast  func., Bilby Desking Screens are easily cleaned with bleach and water.
