Description

The 20" Cooee Short Bin runs almost half the width of a Cooee Wall and is 4.5" deep. With a soft, non-slip insert, it snugly holds those taller things, like water bottles , that ruin your day if you drop them.

Made from steel with a PET insert to add grip, and available in eye-popping powder coat colors, they simply clip into the tool rail on any mobile wall or desking screen.
