Description

Cooee Spaces Three Quarter End Cap is a refined detail that brings resolution and polish to your Cooee layout. Designed to complete runs of 'Cooee Spaces' with intention, it delivers visual clarity and strengthens the overall architectural language of the space. Whether used to bookend a single wall or finish off complex modular configurations, the End Cap maintains clean lines and a cohesive aesthetic.

Constructed with the same ultra-lightweight core, powder-coated proprietary aluminium extrusion, and acoustic PET facing as the main walls, it ensures material and colour consistency across the system. The result is seamless integration that feels purposeful, not improvised—ideal for commercial interiors where every detail matters.

Available in a selection of powder coat finishes, the End Cap complements the wider 'Cooee Spaces' collection and supports a fully resolved, design-led solution.

Also available in Full height.
